SECOND PRELIMINARY AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In the above-referenced patent application, please amend the patent application as follows:

On page 5, line 16, add the following new paragraphs so that the "Summary of the Invention" reads as follows:

AI --(New) The present invention is a health supplement composition for mammals comprising at least one phosphoester and at least one synergistic antioxidant combination, wherein the synergistic antioxidant combination comprises at least one antioxidant and at least one other composition component that has a synergistic relationship with the antioxidant.--
